

loans by emphasizing the advantages of setting aside sufficient income to meet tax obligations when they become due. Taxes will be adequately budgeted for those borrowers with whom Form FmHA or its successor agency under Public Law 103-354 431-2, "Farm and Home Plan," is developed. Each borrower will be encouraged to notify the County Supervisor when he has paid his taxes. After the delinquent date, it will be necessary for the County Supervisor to determine the borrowers whose taxes are delinquent. Forms FmHA or its successor agency under Public Law 103-354 1905-1, "Management System Card-Individual," FmHA or its successor agency under Public Law 103-354 1905-5, "Management System Card- Individual (Rural Housing Only)," and FmHA or its successor agency under Public Law 103-354 1905-10, "Management System Card-Association," will be used in posting servicing action on delinquent taxes.

§ 1925.4 Servicing delinquent taxes.

(a) The County Supervisor will contact each borrower with a delinquent tax and make every practical effort to have him pay the tax with his own funds. He will use the Management System Card for follow-up of delinquent taxes. If the delinquent tax is not paid and the borrower comes to the office with proceeds for application on the FmHA or its successor agency under Public Law 103-354 account secured by the real estate, the County Office personnel will endeavor to get the borrower to use the proceeds to pay the delinquent tax. If the amount of the delinquent tax is less than the amount of the proposed payment, the difference will be applied on the FmHA or its successor agency under Public Law 103-354 account in accordance with the policy outlined in FmHA or its successor agency under Public Law 103-354 Instructions 1951-A and 1951-G.

(b) Prior (usually about 90 days) to the time it is legally possible for action to be taken that will cause the borrower to lose title or right of possessions of the security property or the use of essential water, the County Supervisor will contact the borrower and definitely determine if he will pay the delinquent tax immediately. If the bor-

rower is unable or unwilling to pay the delinquent tax with his own funds after every appropriate effort has been made to have him do so, the County Supervisor will refer to FmHA or its successor agency under Public Law 103-354 Instruction 2024-A and utilize the Type 60 Purchase Order System to pay the amount of the delinquent taxes plus the amount of any accrued penalty to bring taxes current.

(1) In an exceptional case where reasons for delinquent taxes have been removed and planned income during the next year covers payment of current obligations plus delinquent taxes not vouchered, only the delinquent taxes will be paid that could cause the borrower to lose title or right of possession of security property.

(2) If the Government is holding a mortgage other than a first mortgage on the property, do not initiate payment request until the County Supervisor has determined that (i) the prior lien holder will not pay the delinquent tax, (ii) the Government's security will be jeopardized if the delinquent tax is not paid, and (iii) the value of the security is sufficient to justify the advance.

(c) [Reserved]

(d) Copies of all agency forms referenced in this regulation and the agency's internal administrative procedures for title clearance and loan closing are available upon request from the agency's State Office. Forms and title clearance and loan closing requirements which are specific for any individual state must be obtained from the agency State Office for that state.

1927.52 Definitions.

Agency. The Rural Housing Service (RHS) and Farm Service Agency (FSA) or their successor agencies.

Approval official. The agency employee who has been delegated the authority to approve, close, and service the particular kind of loan, will approve an attorney or title company as closing agent for the loans. If a loan must be approved at a higher level, the initiating office may approve the closing agent.

Approved attorney. A duly licensed attorney, approved by the agency, who provides title opinions directly to the agency and the borrower or upon whose certification of title an approved title insurance company issues a policy of title insurance. Approved attorneys also close loans, assumptions, credit sales, and voluntary conveyances and disburse funds in connection with agency loans. Approved attorney is further defined in §1927.54(c).

Approved title insurance company. A title insurance company, approved by the agency, (including its local representatives, employees, agents, and attorneys) that issues a policy of title insurance. Depending on the local practice, an approved title insurance company may also close loans, assumptions, credit sales, and voluntary conveyances and disburse funds in connection with agency loans. If the approved title insurance company does not close the loan itself, the loan closing functions may be performed by approved attorneys or closing agents authorized by the approved title insurance company.

Borrower. The party indebted to the agency after the loan, assumption, or credit sale is closed.

Certificate of title. A certified statement as to land ownership, based upon examination of record title.

Closed loan. A loan is considered to be closed when the mortgage is filed for record and the appropriate lien has been obtained.

Closing agent. The approved attorney or title company selected by the applicant and approved by the agency to provide closing services for the proposed loan. Unless a title insurance company also provides loan closing services, the term "title company" does not include "title insurance company."

Closing protection letter. An agreement issued by an approved title insurance company which is an American Land Title Association (ALTA) form closing protection letter or which is otherwise acceptable to the agency and which protects the agency against damage, loss, fraud, theft, or injury as a result of negligence by the issuing agent, approved attorney, or title company when title clearance is done by means

of a policy of title insurance. Depending on the area, closing protection letters may also be known as "Insured Closing Letters," "Indemnification Agreements," "Insured Closing Service Agreements," or "Statements of Settlement Service Responsibilities."

Cosigner. A party who joins in the execution of a promissory note or assumption agreement to guarantee repayment of the debt.

Credit sale. A sale in which the agency provides credit to the purchasers of agency inventory property. Title clearance and closing of a credit sale are the same as for an initial loan except the property is conveyed by quitclaim deed.

Deed of trust. See trust deed.

Exceptions. Exceptions include, but are not limited to, recorded covenants; conditions; restrictions; reservations; liens; encumbrances; easements; taxes and assessments; rights-of-way; leases; mineral, oil, gas, and geothermal rights (with or without the right of surface entry); timber and water rights; judgments; pending court proceedings in Federal and State courts (including bankruptcy); probate proceedings; and agreements which limit or affect the title to the property.

Fee simple. An estate in land of which the owner has unqualified ownership and power of disposition.

Indemnification agreement. An agreement that protects the agency against damage, loss, fraud, theft, or injury as a result of useful conduct or negligence on behalf of the issuing agent, approved attorney, or title company. This agreement may also be entitled closing protection letter, insured closing letter, insured closing service agreement, statement of settlement service responsibilities, or letters which provide similar protection.

Issuing agent. An individual or entity who is authorized to issue title insurance for an approved title insurance company.

ance for an approved title insurance company.

Land purchase contract (contract for deed). An agreement between the buyer and seller of land in which the buyer has the right to possession and use of the land over a period of time (usually in excess of 1 year) and makes periodic payments of a portion of the purchase price to the seller. The seller retains legal title to the property until the final payment is made, at which time the buyer will receive a deed to the land vesting fee title in the buyer.

Mortgage. Real estate security instrument which pledges land as security for the performance of an obligation such as repayment of a loan. For the purpose of this regulation the term "mortgage" includes deed of trust and deed to secure debt. A real estate mortgage or deed of trust form for the state in which the land to be taken as security is available in any agency office, and will be used to secure a mortgage to the agency.

National Office. The National Headquarters Office of FSA or RHS depending on the loan program involved.

OGC. The Office of the General Counsel, United States Department of Agriculture.

Program regulations. The agency regulations for the particular loan program involved (e.g., subpart A of part 1944 of this chapter for single family housing (SFH) loans).

Quitclaim deed. A transfer of the seller's interest in the title, without warranties or covenants. This type of deed is used by the agency to convey title to purchasers of inventory property.

Special warranty deed. A deed containing a covenant whereby the grantor agrees to protect the grantee against any claims arising during the grantor's period of ownership.

Title clearance. Examination of a title and its exceptions to assure the agency that the loan is legally secured and has the required priority.

Title company. A company that may abstract title, act as an issuing agent of title insurance for a title insurance company, act as a loan closing agent, and perform other duties associated with real estate title clearance and loan closing.

Title defects. Any exception or legal claim of ownership (through deed, lien, judgment, or other recorded document), on behalf of a third party, which would prevent the seller from conveying a marketable title to the entire property.

Trust deed. A three party security instrument conveying title to land as security for the performance of an obligation, such as the repayment of a loan. For the purpose of this regulation a trust deed is covered by the term “mortgage.” A trust deed is the same as a deed of trust.

Voluntary conveyance. A method of liquidation by which title to agency security is transferred by a borrower to the agency by deed in lieu of foreclosure.

Warranty deed. A deed in which the grantor warrants that he or she has the right to convey the property, the title is free from encumbrances, and the grantor shall take further action necessary to perfect or defend the title.

§ 1927.53 Costs of title clearance and closing of transactions.

The borrower or the seller, or both, in compliance with the terms of the sales contract or option will be responsible for payment of all costs of title clearance and closing of the transaction and will arrange for payment before the transaction is closed. These costs will include any costs of abstracts of title, land surveys, attorney’s fees, owner’s and lender’s policies of title insurance, obtaining curative material, notary fees, documentary stamps, recording costs, tax monitor-

ing service, and other expenses necessary to complete the transaction.

§ 1927.54 Requirements for closing agents.

(a) *Form of title certification.* State Offices are directed to require title insurance for all loan closings unless the agency determines that the use of title insurance is not available or is economically not feasible for the type of loan involved or the area of the state where the loan will be closed. If title insurance is used, State Offices are authorized to require a closing protection letter issued by an approved title insurance company to cover the closing agent, if available. A closing protection letter need not be furnished when the closing is conducted by the title insurance company.

(b) *Approval of closing agent.* An attorney or title company may act as a closing agent and close agency real estate loans, provide necessary title clearance, and perform such other duties as required in this subpart. A closing agent will be responsible for closing agency loans and disbursing both agency loan funds and funds provided by the borrower in connection with the agency loan so as to obtain title and security position as required by the agency. The closing agent must be covered by a fidelity bond which will protect the agency unless a closing protection letter is provided to the agency. The borrower will select the approved closing agent. If title clearance is by an attorney’s opinion, the agency will approve the attorney who will perform the closing in accordance with paragraph (c) of this section. The attorney will be approved after submitting a certification acceptable to the agency. If title certification is by means of a policy of title insurance, the title company which will issue the policy must have been approved in accordance with paragraph (d) of this section. A closing agent’s delay in providing services without justification in connection with agency loans may be a basis for not approving the closing agent in future cases.

(c) *Approval of attorneys.* Any attorney selected by an applicant, who will be providing title clearance where the certificate of title will be an attorney’s

opinion, must submit an agency form certifying to professional liability insurance coverage. If the attorney is also the closing agent, fidelity coverage for the attorney and any employee having access to the funds must be provided. The agency will determine the appropriate level of such insurance. Required insurance will, as a minimum, cover the amount of the loan to be closed. The agency will approve the form stipulating the bond coverage. The agency will approve any attorney who is duly licensed to practice law in the state where the real estate security is located and who complies with the bonding and insurance requirements in this section. If the certification of title will be by means of title insurance, any attorney or closing agent designated as an approved attorney or closing agent by the approved title insurance company which will issue the policy of title insurance will be acceptable, and when covered by a closing protection letter, will not be required to obtain professional liability insurance or a fidelity bond. Each approved title insurance company may provide a master list of their approved attorneys that are covered by its closing protection letters to the State Office and, in such cases the attorneys are approved for closings for that title insurance company. Delay in providing closing services without justification may be a basis for not approving the attorney in future cases.

(d) *Approval of title companies.* A title company acting as a closing agent, or as an issuing agent for a title insurance company, must be covered by a title insurance company closing protection letter or submit an agency form certifying to fidelity coverage to cover all employees having access to the loan funds. The agency will determine the appropriate level of such coverage and will approve the form stipulating the bond coverage. Delay in providing closing services without justification may be a basis for not approving the company in future cases. Each approved title insurance company may provide a master list of their approved title companies that are covered by its closing protection letter to the State Office and, in such cases the title companies on the list are ap-

proved for closings for that title insurance company.

(e) *Approval of title insurance companies.* The agency will approve any title insurance company which issues policies of title insurance in the State where the security property is located if:

(1) The form of the owner's and lender's policies of title insurance (including required endorsements) to be used in closing agency loans are acceptable to the agency, and will contain only standard types of exceptions and exclusions approved in advance by the agency;

(2) The title insurance company is licensed to do business in the state (if a license is required); and

(3) The title insurance company is regulated by a State Insurance Commission, or similar regulator, or if not, the title insurance company submits copies of audited financial statements, or other approved financial statements satisfactory to the agency, which show that the company has the financial ability to cover losses arising out of its activities as a title insurance company and under any closing protection letters issued by the title insurance company.

(4) Delay in providing services without justification may be a basis for not approving the company.

(f) [Reserved]

(g) *Conflict of interest.* A closing agent who has, or whose spouse, children, or business associates have, a financial interest in the real estate which will secure the agency debt shall not be involved in the title clearance or loan closing process. Financial interest includes having either an equity, creditor, or debtor interest in any corporation, trust, or partnership with a financial interest in the real estate which will secure the agency debt.

(h) *Debarment or suspension.* No attorney, title company, title insurance company, or closing agent, currently debarred or suspended from participating in Federal programs, may participate in any aspect of the agency loan closing and title clearance process.

(i) *Special provisions.* Closing agents are responsible for having current knowledge of the requirements of State law in connection with loan closing

and title clearance and should advise the agency of any changes in State law which necessitate changes in the agency's State mortgage forms and State Supplements.

(j) [Reserved]

§ 1927.55 Title clearance services.

(a) *Responsibilities of closing agents.* Services to be provided to the agency and the borrower by a closing agent in connection with the transaction vary depending on whether a title insurance policy or title opinion is being furnished. The closing agent is expected to perform these services without unnecessary delay.

(b) [Reserved]

(c) *Ordering title services.* Application for title examination or insurance will be made by the borrower to a title company or attorney. The lender's policy will be for at least the amount of the loan. The United States of America will be named as the insured lender.

(d) *Use of title opinion.* If a title opinion will be issued, a title examination will include searches of all relevant land title and other records, so as to express an opinion as to the title of the property and the steps necessary to obtain the appropriate title and security position to issue a title opinion as required by this subpart. The closing agent or approved attorney will determine:

(1) The legal description and all owners of the real property;

(2) Whether there are any exceptions affecting the property and advise the approval official and borrower of the nature and effect of outstanding interests or exceptions, prior sales of part of the property, judgments, or interests to assist in determining which exceptions must be corrected in order for the borrowers to obtain good and marketable title of record in accordance with prevailing title examination standards, and for the agency to obtain a valid lien of the required priority;

(3) Whether there are outstanding Federal, State, or local tax claims (including taxes which under State law may become a lien superior to a previously attaching mortgage lien) or homeowner's association assessment liens;

(4) Whether outstanding judgments of record, bankruptcy, insolvency, divorce, or probate proceedings involving any part of the property, whether already owned by the borrower, or to be acquired by assumption or with loan funds, or involving the borrower or the seller exist;

(5) If a water right is to be included in the security for the loan, and if so, the full legal description of the water right;

(6) In addition to paragraph(d)(2) of this section, if wetlands easements or other conservation easements have been placed on the property;

(7) What measures are required for preparing, obtaining, or approving curative material, conveyances, and security instruments, and

(8) That sufficient copies of these interests and exceptions are provided as requested by the approval official.

(e) *Use of title insurance.* When title insurance is to be obtained, the approval official will be furnished with a title insurance binder disclosing any defects in, exceptions to, and encumbrances against, the title, the conditions to be met to make the title insurable and in the condition required by the agency, and the curative or other actions to be taken before closing of the transaction. The binder must include a commitment to issue a lender policy in an amount at least equal the amount of the loan, except in instances where there may be an outstanding owner's policy in favor of the borrower. Notwithstanding the provisions of this section, the instance of an assumption without a subsequent loan, the existing policy may be continued if the coverage meets or exceeds the assumption balance and the title company agrees in writing to extend coverage in full force and effect.

(f) [Reserved]

§ 1927.56 Scheduling loan closing.

The agency, in coordination with the closing agent, will arrange a loan closing and send loan closing instructions, on an agency form to the closing agent when the agency determines that the exceptions shown on the preliminary title opinion or title insurance binder will not adversely affect the suitability, security value, or successful

operation of the property and all other agency conditions to closing have been satisfied.

§ 1927.57 Preparation of closing documents.

(a) *Preparation of deeds.* The closing agent, unless prohibited by law, will prepare, complete, or approve documents, including deeds, necessary for title clearance and closing of the transaction and provide the agency with the policy of title insurance or title opinion providing the lien priority required by the agency and subject only to exceptions approved by the agency. Agency forms will be used when required by this part.

(1) [Reserved]

(2) [Reserved]

(b) *Preparation of mortgages.* The closing agent will insure that all mortgages are properly prepared, completed, executed, and filed for record. Where applicable, the mortgages should recite that it is a purchase money mortgage. The following requirements will be observed in preparing agency mortgages:

(1)-(8) [Reserved]

(9) *Alteration of mortgage form.* An agency mortgage form may be altered pursuant to a State Supplement having prior approval of the National Office, or in a special case, to comply with the terms of loan approval prescribed in accordance with program instructions. No other alterations in the printed mortgage forms will be made without prior approval of the National Office. Any changes made by deletion, substitution, or addition (excluding filling in blanks) will be initialed in the margin by all persons signing the mortgage.

(10) [Reserved]

(11) *Mortgages on leasehold estates.* When the agency security interest is a leasehold estate, unless State law or State Supplement otherwise provides, the real estate mortgage or deed of trust form, available in any agency office, will be modified as follows:

(i) In the space provided on the mortgage for the description of the real property security, the leasehold estate and the land covered by the lease must be described. The following language must be used unless modified by a State Supplement:

All of borrower's right, title, and interest in and to a leasehold estate for an original term of ____ years, commencing on ____, 19 ____, created and established by and between ____ as lessor and owner and ____ as lessee, including any extensions and renewals thereof, a copy of which lease was recorded or filed in book ____, page ____, as instrument number ____, in the Office of the (e.g., County Clerk), for the aforesaid county and State and covering the following real property: ____.

(ii) Immediately preceding the covenant starting with the words "should default," the following covenant will be added:

() Borrower covenants and agrees to pay when due all rents and any and all other charges required by said lease, to comply with all other requirements of said lease, and not to surrender or relinquish, without the Government's prior written consent, any of borrower's right, title, or interest in or to said leasehold estate or under said lease while this mortgage remains of record.

(12) *Mortgages on land purchase contract.* When the agency security interest is on a borrower's interest in a land purchase contract, OGC will provide language used to modify agency forms.

(13) [Reserved]

(c) [Reserved]

(d) *Preparation of protective instruments.* The closing agent will properly prepare, complete, and approve releases and curative documents necessary for title clearance and closing, in recordable form and record them if required.

(1) *Prior lienholder's agreement.* If any liens (other than agency liens or tax liens to local governmental authorities) or security agreements (hereafter called "liens"), with priority over the agency mortgage will remain against the real property securing the loan, the lienholders must execute, in recordable form, agreements containing all of the following provisions unless prior approval for different provisions has been obtained from the National Office:

(i) The prior lienholder shall agree not to declare the lien in default or accelerate the indebtedness secured by the prior lien for a specific period of time after notice to the agency. The agreement must:

(A) Provide that the specified period of time will not commence until the lienholder gives written notice of the

borrower's default and the prior lienholder's intention to accelerate the indebtedness to the agency office servicing the loan.

(B) Include the address of the agency servicing office.

(C) Give the agency the option to cure any monetary default by paying the amount of the borrower's delinquent payments to the prior lienholder, or pay the obligation in full and have the lien assigned to the agency, and

(D) Provide that the prior lienholder will not declare the lien in default for any nonmonetary reason if the agency commences liquidation proceedings against the property and thereafter acquires the property.

(ii) When the prior lien secures future advances, including the lienholder's costs for borrower liquidation or bankruptcy, which under State law have priority over the mortgage being taken (or an agency mortgage already held), the prior lienholder shall agree not to make advances for purposes other than taxes, insurance or payments on other prior liens without written consent of the agency.

(iii) The prior lienholder shall consent to the agency making (or transferring) the loan and taking (or retaining) the related mortgage if the prior lien instrument prohibits a loan or mortgage (or transfer) without the prior lienholder's consent.

(iv) The prior lienholder shall consent to the agency transferring the property subject to the prior lien after the agency has obtained title to the property either by foreclosure or voluntary conveyance if the prior lien instrument prohibits such transfer without the prior lienholder's consent.

(2) [Reserved]

(3) [Reserved]

(4) *Agreement by holder of seller's interest under land purchase contract.* If the buyer's interest in the security property is that of a buyer under a land purchase contract, it will be necessary for the seller to execute, in recordable form, an agreement containing all of the following provisions:

(i) The seller shall agree not to sell or voluntarily transfer the seller's interest under the land purchase contract without the prior written consent of the State Office.

(ii) The seller shall agree not to encumber or cause any liens to be levied against the property.

(iii) The seller shall agree not to commence or take any action to accelerate, forfeit, or foreclose the buyer's interest in the security property until a specified period of time after notifying the State Office of intent to do so. This period of time will be 90 days unless a State Supplement provides otherwise. The agreement shall give the agency the option to cure any monetary default by paying the amount of the buyer's delinquent payments to the seller, or paying the seller in full and having the contract assigned to the agency.

(iv) The seller shall consent to the agency making the loan and taking a security interest in the borrower's interest under the land purchase contract as security for the agency loan.

(v) The seller shall agree not to take any actions to foreclose or forfeit the interest of the buyer under the land purchase contract because the agency has acquired the buyer's interest under the land purchase contract by foreclosure or voluntary conveyance, or because the agency has subsequently sold or assigned the buyer's interest to a third party who will assume the buyer's obligations under the land purchase contract.

(vi) When the agency acquires a buyer's interest under a land purchase contract by foreclosure or deed in lieu of foreclosure, the agency will not be deemed to have assumed any of the buyer's obligations under the contract, provided that the failure of the agency to perform any such obligations while it holds the buyer's interest is a ground to commence an action to terminate the land purchase contract.

(5) [Reserved]

(6) [Reserved]

(e) [Reserved]

1927.58 Closing the transaction.

The closing agent will cooperate with the approval official, borrower, seller, and other necessary parties to arrange the time and place of closing. The transaction may be closed when the

agency determines that the agency requirements for the loan have been satisfied and the closing agent or approved attorney can issue or cause to be issued a policy of title insurance or final title opinion as of the date of closing showing title vested as required by the agency, the lien of the agency's mortgage in the priority required by the agency, and title to the mortgaged property subject only to those exceptions approved in writing by the agency. The loan will be considered closed when the mortgage is filed for record and the required lien is obtained.

(a) *Disbursement of loan funds.* When the closing agent indicates that the conditions necessary to close the loan have been met, loan funds will be forwarded to the closing agent. Loan funds will not be disbursed prior to filing of the mortgage for record; however, when necessary, loan funds may be placed in escrow before the mortgage is filed for record and disbursed after it is filed. No development funds will be kept in escrow by the closing agent after loan closing, unless approved by the agency. Loan funds for the payment of a lien may be disbursed only upon the recording of a discharge, satisfaction, or release of prior lien interests (or assignment where necessary) to protect the interests of the agency).

(b) *Title examination and liens or claims against borrowers.* If there are exceptions or recorded items which have arisen since the preliminary title opinion, the transaction will not be closed until these entries have been cleared of record or approved by the agency. The closing agent will advise the approval official of the nature of such intervening instruments and the effect they may have on obtaining a valid mortgage of the priority required or the title insurance policy to be issued.

(c) *Taxes and assessments.* The closing agent will determine if all taxes and assessments against the property which are due and payable are paid at or before the time of loan closing. If the seller and the borrower have agreed to prorate any taxes or assessments which are not yet due and payable for the year in which the closing of the transaction takes place, the seller's proportionate share of the taxes and assessments will be deducted from the

proceeds to be paid to seller at closing and will be added to the amount required to be paid by borrower at closing. Appropriate prorations as agreed upon between the borrower and seller may also be made for taxes paid by the seller which are applicable to a period after the closing date, and for common area maintenance fees, prepaid rentals, insurance (unless the borrower is to obtain a new policy of insurance), and growing crops.

(d) *Affidavit regarding work of improvement.*

(1) *Execution by borrower.* If required by State Supplement, the closing agent will require that an affidavit regarding work of improvement, provided by the agency, be completed and executed when a loan is being made to a borrower who already owns the real estate to be mortgaged. This affidavit will be executed by the borrower at closing.

(2) *Execution by seller.* If required by State Supplement, the closing agent will require that an affidavit regarding work of improvement, provided by the agency, be completed and executed (including acknowledgment) by the seller when the agency is making a loan to a borrower to enable the borrower to acquire the property (including transfers). This affidavit will be executed by the seller at closing.

(3) *Legal insufficiency of affidavit form.* If the agency affidavit regarding work of improvement is not legally sufficient in a particular State, a State form approved by OGC will be used. A similar form that may be required by a title insurance company may be substituted for the agency form.

(4) *Recording.* The affidavit will not be recorded unless the closing agent deems it necessary and State law permits.

(5) *Delay in closing.* The loan will not be closed if, at the loan closing, the seller (in a sale transaction) or the borrower (in a nonpurchase money loan situation) indicates that construction, repair, or remodeling has been commenced or completed on the property, or related materials or services have been delivered to or performed on the property within the time limit specified in the affidavit, unless a State Supplement provides otherwise. The closing agent will notify the approval

official, who will determine if the work of improvement could result in a lien prior to the agency lien. The State Office will, with the advice and concurrence of OGC, provide in a State Supplement the period of time to be used in completing the affidavit.

(e) [Reserved]

(f) [Reserved]

(g) *Return of loan documents to approval official after loan closing.* Within 1 day after loan closing, the closing agent will return completed and executed copies of the loan closing instructions, the executed original promissory note, and all other documents required for loan closing (except the mortgage), to the approval official. If the recorded mortgage is customarily returned to the borrower or closing agent after recording, then it must be forwarded to the approval official immediately.

(h) *Final title opinion or title insurance policy.* As soon as possible after the transaction has been closed.

(1) *Final title opinion.* The attorney will issue a final title opinion to the agency and the borrower on a form provided by the agency. Issuance of the final title opinion should not be held up pending the return of recorded instruments. If it is not possible for the final title opinion to show the book and page of recording of the agency security instrument, the words “and is recorded” in the final title opinion form provided by the agency office, may be deleted and the blank space completed to show the filing office and the filing instrument number, if available. Attached to the final title opinion will be required documents then available, including any which the approval official has furnished to the attorney which were not previously returned.
